HEALTH AND IMMUNIZATION FORMS

All Valley Preschool students are required by the state of MN to have certain health and immunization records on file at the school. Health and immunization records for new students will be due on August 1st. If registering after the start of the school year, records must be on file before a student attends class.

VALLEY PRESCHOOL ENROLLMENT POLICY

Enrollment is open to all qualified children regardless of race, color, creed, religion, national or ethnic origin, or disability. Notwithstanding Valley Preschool, Inc.'s commitment to equal access, the Board of Directors reserves the right to not accept a child for enrollment if it determines, after consulting with the child's guardian(s), that the child poses a threat or danger to other students, or would significantly distract from the other students' learning experience.

VALLEY PRESCHOOL VOLUNTEER POLICY

We are a non-profit, parent operated school. We rely on our families to help us maintain the facility and grounds. Families of enrolled children are asked to donate a minimum of three hours of their time each year to school maintenance. A \$5 maintenance fee has been included with your monthly tuition. Once you have fulfilled your 3 hours of volunteer time, you will receive a \$45 credit (\$5 x 9 months) in the form of tuition. You may also choose to donate the \$45 to the school and forgo the volunteer requirement.

Valley Preschool's Volunteer Coordinator will have a list of tasks that can be done at school or home. In addition, "work days" will be planned 3 or 4 times per year to tackle some of the larger jobs like window washing, painting, and yard maintenance. Please talk to teachers or board members if you have questions regarding this policy.

VALLEY PRESCHOOL AGE REQUIREMENTS

Valley Preschool accepts students ages 33 months through 5 years of age. Each of our classes address specific goals and stages of development in the preschool years. Our teachers have designed a developmentally appropriate curriculum for each age group and we ask that you adhere to the following age requirements in order to keep the integrity of each class.

Our Monday and Tuesday morning class offers an introduction to preschool. This class is designed for those who have had little or no prior group experience. Children have the opportunity to transition to a formal educational setting together. Our teachers are mindful to help each and every child adjust to their preschool experience at their own pace. Children can attend this class when they are 33 months old and potty trained.

Our Monday, Tuesday, Thursday, and Friday afternoon multi-age class is designed to take advantage of the opportunities a multi-age class offers. Students are able to learn from and teach others who are at different stages of their development. As with all of our classes, teachers are able to differentiate their instruction to offer opportunities for students to learn at their own pace, but the multi-age class offers more freedom because of the larger age span. This class also adds convenience for families who have multiple children enrolled because siblings can attend together. Children can attend this class if they are 3.5 years or older by September 1st.

Our Wednesday, Thursday, and Friday morning pre-K class is geared for students attending kindergarten the following year. The main goal is to give students the opportunity to explore skills that will help them prepare for an easy and successful transition into their kindergarten year. Children can attend this class if they are 4 years old by September 1st. Exceptions can be made for students who have prior drop-off group experience and are 4 years old by December 1st. Exceptions are subject to board approval.
