

HOLIDAY

WISH

LIST

It is a tradition at Valley Preschool to do a "Wish List" every winter. We ask that instead of giving gifts to teachers, families consider giving a small donation or gift to Valley Preschool. Over the years families have given a wonderful assortment of books, toys, puzzles, games, and art materials. Sometimes there is a special theme, like science or woodworking. This year we are raising money for a built-in fish aquarium between the art and front rooms. The tank we currently have takes up valuable teaching space in our "Large Group" area and the teachers feel this would be a much more efficient use of space that the kiddos will enjoy for years to come. If you would like to make a monetary donation toward our fish aquarium, please put it in a labeled envelope. We are also looking for a handyman or handywoman to install the aquarium. If you are interested, please let your teachers know.

If you'd rather, we would love for you to use your imagination and pick out an item/activity your child would enjoy using at school. **Please remember this is an optional donation!**

Thank you and have a wonderful holiday season!
