

MILK MOOLA & DONUTS to DOUGH

Valley Preschool is going to participate in the Milk Moola fundraiser again this school year.

As many of you know, who shop at Kwik Trip in Liberty, they have a Milk Moola program, whereby you save and turn in caps and other items (as listed on the following page) and raise money for your school.

We are hoping you can help by collecting and turning in to the school any of the items listed. We will gather them and turn them in, using the money for classroom wishes.

Turn them in at your convenience throughout the school year in a Ziploc baggie and we will take care of the rest.

Thanks for your consideration and help in this.
