

Usborne Book Fair & Mini-Carnival

Tuesday, September 27

5:00-7:00pm

@ Valley Preschool

Start the school year off with new quality reading material! There will be a great selection of books in the themes we are studying this fall, along with many more titles for kids of all ages. Each purchase earns free books for Valley Preschool!

In the block room and art room we will be having Valley's first Mini-Carnival! Join us for popcorn, games, art activities, and fun! If there are any parents, older siblings, or alumni who would like to help run a game or activity, please let Ms. Abbey know at class or by email (abbeyk@valleypreschool.org).
Volunteers can sign up for an hour or more segment.

If you are unable to attend, you can order by catalog or an eFair online. Visit our representative's website at www.usborneliz.com. On the right side of the page under "Shopping" you will see a link for Valley Preschool. Click on the link and start looking! You can also email Liz to request titles to bring to the fair at liz@hawkinson.net
