Announcements

- If you want to help with one of our special centers the morning of our class Christmas Party, please email Ms. Abbey!
- If you have any extra **puzzle pieces** laying around the house, send them in for a special project we are making!
- We've seen a number of **book bags** coming back to school. You can actually leave these at home and add the new book to it each week. There will also be a flash card in your child's folder to add to the ring and when we start word families, a word wheel will also go home to add to the book bag.
- Please remember to pull all the way up to the telephone pole at **drop-off and pick-up** so two cars can fit in front of the school at a time. Also, please continue using your car tags! We have several vehicles that are very similar in our class, and often times someone other than mom or dad pick up with an unfamiliar car. The tags will make the line go faster.
- Please make sure the **extra clothing** in your child's backpack is winter appropriate. Also, please send snow pants, hats, boots, & mittens every day throughout the winter. You do not need to send shoes to school. The kiddos can wear their slippers inside and boots outside.
