

# Young DaVincis

(Wed/Thurs/Fri PM)

**Ages: 3.5 - 5 years**

**12:45 PM - 3:30 PM**

Join us for afternoons of messy FUN! Our Young DaVinci's class is an exciting adventure in which students will explore the various STEAM elements (Science, Technology, Engineering, Art, and Mathematics) daily. This class focuses on fun and creativity all the way!

As with our Fireflies (W/Th/F AM) class, this W/Th/F Pre-K class is geared for students in their second and third year of preschool. Students in their first year of preschool, who are attending Kindergarten the following year, are also encouraged to enroll in this, as well as the AM class. Others in their first year of preschool should enroll in one of our programs offered on Mondays and Tuesdays. Students must be 3.5 years old to start the class. If openings occur mid-year, and a student is 3.5 by their start date, they may join the class at that time.

All students must be potty trained.
