Thank you for your support!

This year, in lieu of an online fundraising event, we would be grateful to you for your consideration of either checking out our **virtual Giving Tree** (Amazon Wish List) or making a **tax-deductible donation**.

Last year our efforts generated many new resources that we have put to good use, as well as an *additional* \$3,000.00 that went directly to the backyard efforts. We still have a long ways to go, but every little bit counts and is **GRATEFULLY** appreciated. **Thank you!**
