

# 2022 Summer Programs

## Hands-on Theme Camps

Monday-Thursday, 9am-11:30pm and 12:30pm-3:00pm\*

*\* See the registration application for specific times*

Join us for a summer of fun exploration, learning and PLAY!

4-day Summer Camps will be held starting in June

\*\* Previous drop-off experience is preferred. Students must be potty trained. \*\*

### NEW TO VALLEY?

Welcome! We look forward to you joining us for some absolute summer FUN.

We can't wait to show you around!

### RETURNING CAMPER?

We're glad you're back, and excited to show you some NEW and engaging activities (even if you've taken this class before!), as well as some favorites, too!

## CHECK OUT OUR CLASSES:

**Lego Engineers    Pre-K & K-2    June 6 - 9    \$110**

Come explore the magical world of Legos with us! Most kids (and those young at heart) already know: Legos are FUN to play, construct and imagine with! In this fun, hands-on class, students will have plenty of time to create, explore and use their imaginations to design their own projects. Teachers will also guide a small, structured project each day that will require practicing step-by-step instructions. Complete the day with Lego stories, snack and outdoor time and you have a great day of Lego fun!

**Space Camp for Kids!    Pre-K & K-2    June 6 - 9    \$110**

3 . . . 2 . . . 1 . . . BLAST OFF! In this fun class, students will learn about our fascinating galaxy by suiting up as astronauts to explore worlds beyond our reach. We will also learn about some of the pioneering engineers – women and men – who helped to make our space program what it is today. Each day we will introduce a new concept such as gravity; and our centers will be geared to help students explore the concept of the day. We will also have a story time, snack, group activity, and even outdoor play activity to support the concepts! Get ready for a totally cool class!

**Kitchen Science!    Pre-K & K-2    June 13 - 16    \$110**

Do you know someone who likes creating and mixing? How about getting messy, or trying to answer questions such as: how valuable are eggs in our cookie recipes? Or is baking soda REALLY necessary? In this class we will mix and create tried-and-true recipes with new twists; examining to see just how valuable ingredients are! We'll also have fun concocting mixtures of dynamic proportions!

All experiments will be kid-friendly and safe (but extremely entertaining!). Don't miss this one. This hands-on class is sure to amaze!!

This class will feature experiments are that are PEANUT FREE.

## **Young Picassos Art Camp    Pre-K & K-2    June 13 - 16    \$110**

Do you have a budding artist on your hands or someone who LOVES to just draw, paint, sculpt, and create? If so, then this is the class for them! Join us as we learn about a new artist each day and have fun making a new creation to bring home at the end of each class. Have fun exploring the different techniques using a variety of mediums. Kids will enjoy creating their own works of art they'll be proud of!

## ***NEW for 2022: Young Authors Create!*    Pre-K & K-2    June 20 - 23    \$110**

Get ready as we welcome in Minnesota native and children's author and illustrator, Nancy Carlson to Valley Preschool this summer as a special part of this fun class. Throughout this class, campers of all ages will enjoy listening to and creating stories of their own! Together, we will explore how an idea can start, and eventually GROW!

This camp will be divided into separate age groups. For younger campers, we will focus on story-telling, and illustrations to go with our tales. Students do NOT need to be able to write independently to participate in this class. Older students will get to opportunity to take their writing deeper...as far as they want to go!

## ***NEW for 2022: Imagination Station*    Pre-K & K-2    June 20 - 23    \$110**

Do you like to pretend? Do have a favorite character that you just LOVE, or an imaginary place you'd love to visit? If so, then this class is for YOU. Join us for this fun, hands-on class as we let our imaginations run wild! Together with our friends we'll imagine and pretend, and work together to create some really fun memories...

This class us what childhood is ALL about.

## **Jr. Ranger / Backyard Camping Adventures! Pre-K & K-2 June 27 – 30 \$110**

Join us for this exciting class as we learn what it takes to both have fun in the outdoors and take care of our earth! Friends in this class will enjoy earning “Jr. Ranger” badges as they complete fun, age-appropriate activities that both educate and entertain!

This class is geared for friends who love the outdoors, as well as those who don't! We'll have fun “camping” in our tent; testing camp food and making unique art! Students will create a homemade journal as well as build a fort! We'll enjoy some yummy “camp food;” explore what it means to be a “good steward” of the earth and have fun playing games perfect for when spending fun summer days outside!

## **Water Works! Pre-K & K-2 June 27 – 30 \$110**

What better way to spend hot summer afternoons than exploring this amazing liquid? In this class, students will enjoy a variety of activities ranging from science experiments to all-out fun and games! For this class students should wear a swim suit underneath their clothing and bring a towel each day. Free time and snack are provided daily. We're going to have fun getting wet. . .SPLASH!

## **FUN FRIDAYS! Pre-K & K-2 June 10, 17, 24, & July 1 \$50/day OR \$180/all**

**Lunch Bunch** also available daily from 11:30a-12:30p M-Th\*

Bring a PEANUT-FREE bag lunch and enjoy extra time with FRIENDS!

*\*Included in FUN FRIDAYS*
